This afternoon, set out on your first game drive of the trip at Ol Pejeta Conservancy, home to an astounding variety of animals. (B, L, D)

Day 4: Mount Kenya - Buffalo Springs Reserve - Shaba Reserve Discover the magic of the Shaba, Samburu and Buffalo Springs reserves – home to some of Africa's most exotic wildlife – two species you can only find north of the equator: Grevy's zebra & the reticulated giraffe. Arrive at Shaba

National Reserve. This afternoon, head for Buffalo Springs – a starkly beautiful semi-desert that's a mecca for birds & wildlife. On your game drive see if you can spot the "Big 5" – lions, elephants, buffalo, leopards & rhinos. (B, L, D)

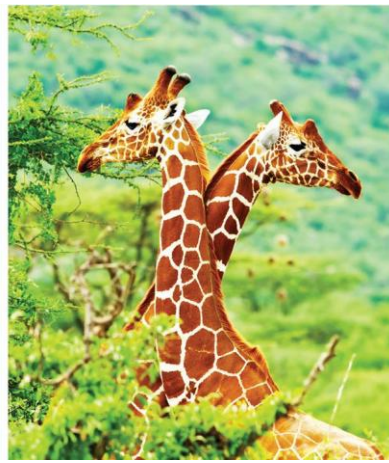

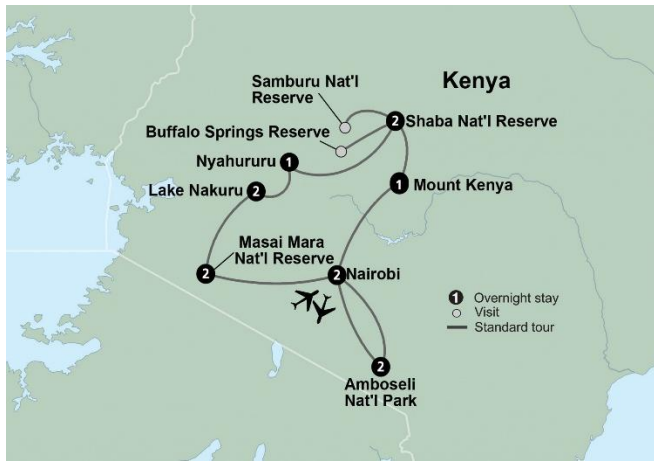

Day 5: Shaba Reserve - Samburu National Reserve - Marvel at the striking contrast of sand, sky, and bush during a morning game drive inside Samburu National Reserve, a gem of Kenya's North Country. Our afternoon game drive has us searching for the elusive "Big 5." Keep watch for some of the 350 species of birds that inhabit the area. As the sun sets over the banks of the Ewaso Ng'iro River, enjoy a traditional Sundowner, and relish the chance to deepen your cultural experience. In the company of a Samburu tribe member, learn about the culture, traditions, and folklore of the Samburu region & its people. (B, L, D)

Day 6: Shaba Reserve - Nyahururu - Journey to Nyahururu, its name derived from the Maasai word for waterfall, *e-naiwurruwurr*. Enjoy a free afternoon to relax in your luxury hideaway, a resort situated in the heart of a tranquil forest. (B, L, D)

Day 7: Nyahururu - Lake Nakuru Hit the road for a spectacular, mountain-kissed journey on the way from Nyahururu waterfalls to Lake Nakuru National Park. One of the Great Rift Valley's soda lakes, Lake Nakuru is a haven of ecological diversity surrounded by picturesque ridges and wooded, bushy grassland. Set out on a game drive this afternoon. (B, L, D)

Day 8: Lake Nakuru Wake up in the embrace of Nakuru's acacia forest. During this morning's game drive, make sure your binoculars are ready – this is rhino country! Find this park absolutely brimming with wildlife, on the ground and in the air. Regale in a true taste of Africa: a traditional breakfast prepared right in the bush. Unwind at your lodge before continuing your journey through the park on an after-noon game drive. Return in time to witness one of Nakuru's unforgettable sunsets. (B, L, D)

Day 9: Lake Nakuru - Maasai Mara National Reserve Welcome to the Maasai Mara National Reserve, one of Kenya's best spots for game viewing. Your tented accommodations in the Mara provides you with all the deluxe amenities of a proper lodge, with the added adventure of being on level with the wild. Learn about Maasai culture during a visit to a local village before an afternoon game drive. During a full-day game drive, enjoy the grassy plains and rolling hills of the Maasai Mara. This is truly nature's greatest theater, where savanna, cloud shadows and amazing wildlife spot the horizon. After a Mara sunset, head over to your tent & be lulled to sleep by the sounds of the animals in the distance. (B, L, D)

Day 11: Maasai Mara National Reserve - Nairobi Return to Nairobi and visit the farmhouse of Karen Blixen for a true *Out of Africa* experience. Then, visit a giraffe sanctuary that also serves as an environmental education center and get an experience with majestic Rothschild's giraffes. (B, L)

Day 12: Nairobi - Amboseli National Park This morning, experience an **Impact Moment** when you visit Ocean Sole, a social enterprise that turns ocean debris into colorful works of art. Learn about their mission to clean the waterways & grow the Kenyan economy. You'll also get a chance to peruse their collection of products before continuing on to Amboseli National Park for an afternoon game drive accompanied by the breathtaking aura of Mt. Kilimanjaro. Complement your journey with an opportunity to give back to nature with a seedball. The compact balls of seed

limit the cost of planting indigenous trees around the world. A moment of impact can grow into a lifetime of change, so toss your seedball out the window during your stay in Amboseli. (B, L, D)

Day 13: Amboseli National Park Today will start with a sunrise game drive followed by breakfast back at the lodge. Then all of Amboseli is at your feet during a morning and afternoon game drive. Derived from the Maasai word meaning "salty dust," this unique corner of Kenya is one of the best places in Africa to see hundreds of elephants up close. Wildebeests and zebras are ever-present, plus there's a good chance you'll see a cheetah and a hyena or two. Today is your last full day on the continent and your last chance to spot some more members of the elusive "Big 5." If you haven't tossed your "seedball" into the wilds yet, now's your chance to make an impact on the continent you've grown to love. (B, L, D)

Day 14/15: Amboseli National Park - Nairobi - Tour Ends. Overnight Flight Return to Nairobi for your overnight flight departure home. (B)
